Mr. John Dudinski
Legislative Assistant to
Senator Paula Hawkins
313 Senate Hart Office Building
Washington, D.C. 20510

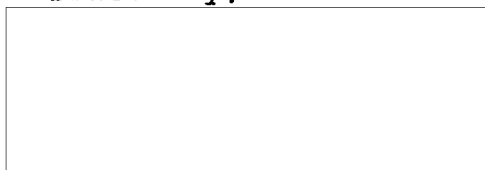

Dear John:

I wanted to thank you for meeting with me on our concerns with the Hawkins-Perkins Amendment to the State Authorization Bill. I appreciate your taking the time to give me a tour of your offices, and to introduce me to some of your colleagues. I understand that a compromise was worked out and I know that you played a major role in achieving it.

When I returned to Headquarters I passed along your request for a briefing in the two areas we discussed. I now understand that there is no substantial information on these subjects at this point in time. However, I was assured that the Agency is very much aware of Senator Hawkins' interest in these areas and that the Senator will receive a briefing should we acquire significant information in these areas.

I hope that in the future you will not hesitate to call me if you have any questions or concerns relating to the Agency. I have enclosed a few Agency publications which I thought you might find of interest. I look forward to working with you in the future and I will stop by to say hello whenever I can.

Sincerely,

Office of Legislative Liaison
